When you step into the voting booth, you'll notice some changes this year.
Here's what you need to know:

What is Ranked Choice Voting?

Ranked Choice Voting (RCV) allows voters to rank candidates by preference instead of choosing just one.

How do I fill out a Ranked Choice ballot?

Ranked Choice Voting is easy! Instead of choosing just one candidate, you can rank them all, from your first choice to your last.

Find the name of your first-choice candidate and completely fill in the oval next to their name in the "1st Choice" column. Then find the name of your second choice, and fill in the oval next to their name in the "2nd Choice" column. Continue until you have ranked all the candidates you choose to rank.
